

Girls on the Run NOVA

Making your gift grow with matching gifts

Many corporations will match monthly or payroll deduction gifts as well as annual gifts from their employees as a way of showing their support for their employees' charitable causes. Just obtain your company's matching gift application (from your personnel office), fill it out, and send it to us:

Employers

Invest in your employees, support their involvement in charitable causes, and demonstrate your strong support in the community by offering a matching gifts program. Leverage your underwriting support of our Program by also encouraging employee involvement through matching gifts.

Employees

Check with your human resources or community relations representative to see if your company or organization has a matching gifts program. Your company's matching gift can double your contribution to the cause you care about. Be sure to encourage your supporters to check with their employers about matching gifts.
