Girls on the Run of NOVA Announces New Executive Director

(FAIRFAX, VA) The Girls on the Run of NOVA (GOTR NOVA) Board of Directors is thrilled to announce the selection of Caroline Diemar to serve as the organization’s next Executive Director. Caroline comes to GOTR NOVA with a wealth of experience advocating for the wellbeing of children. Prior to accepting this new role she served as a Director at Polaris where she oversaw their National Human Trafficking Hotline. Caroline holds a B.A in Sociology from Duke University and a M.S. from Bank Street College of Education.

Caroline will begin her new role with Girls on the Run later this month. She states, "I am truly honored to be part of an organization that is transforming young girls' lives and equipping them to thrive as they navigate life's social pressures and challenges. GOTR NOVA made tremendous strides over 20 years and I am excited to be part of the team that carries its success into the next decade, where we will continue to advance the vision of ensuring every girl knows and activates her limitless potential and is free to boldly pursue her dreams."

“We could not be more excited to have Caroline joining us as the new Executive Director of this remarkable organization. As we celebrate 20 years of growing strong girls in this region, her background and expertise will ensure the program’s quality and impact will continue to deepen across the region,” says Margie Johnson, Board Chair

GOTR NOVA is celebrating its 20th anniversary throughout 2020. The organization is excited to celebrate 20 years and introduce their new leader, Caroline, to attendees at their annual LUNAFEST event on March 26 at the Angelika Film Center in Fairfax. More information about and tickets for this widely popular annual event are available on their website, www.gotrnova.org.

About Girls on the Run of NOVA
Girls on the Run of NOVA is a 501c3 nonprofit and one of the largest independent affiliates of Girls on the Run International, offering the Girls on the Run program for girls in elementary school and Heart & Sole for girls in middle school. GOTR NOVA programming is delivered over a 10-week season by trained volunteer coaches who guide and mentor girls through a rich curriculum. They serve over 5,000 girls annually with approximately 900 volunteer coaches throughout the region.
